THE STRENGTHS OF GREEN DREAM ARE MANY AND VARIED WHICH MAKE IT UNIQUE IN THE ORNAMENTAL HORTICULTURE ARENA.

Green Dream was incepted in the UAE in 2003, Our core business activities are the supply and maintenance of Indoor and Outdoor plants, landscape design, estimation and maintenance and general irrigation works We are the main plant maintenance contractor to many prestigious government institutions, banks, hotels, offices, and residential properties.

All of our plants are put through an internal Quality Assurance (QA) test, prior to delivery to our customers.

Our design philosophy is to provide a healthy, comfortable, beautiful and sustainable environment. Our work is inspired by unique customerdriven designs that are not only beautiful but also efficient.

We give priority to the use of natural resources, owing to their ingrained depth and enduring qualities.

Landscaping is both a science and an art, and requires good observation and design skills. Flora Green Fields understands the elements of nature and construction and blends them accordingly.

We are a company totally dedicated to environmental ethos, and shall ensure the continuation of a safe, clean and healthy ecosystem.

We also have solid business processes that are geared towards a greener Invironment.

Green Dream Company has start since its in inception undertaking research and building nursery production infrastructure.

This work has culminated in their nursery Which covers an area of 60,000 square meters comprising all kinds of plants used in its work. Targeted at production nurseries and growing media manufacturers it's a tool for businesses to review their processes and identify and improve areas of concern.

VISION

Our vision is to be recognized as one of the most trusted and competent leaders in landscaping works and garden maintenance.

MISSION

Our mission is to meet the needs and demands of our clients and at the same time exceeds their expectations by giving quality designs and excellent service through dedication and professionalism.
